*A one day workshop for
pregnant women in Sydney*

with
GANGA KAREN ASHWORTH
&

Pregnancy is a portal into the sacred, spiritual and shamanic dimensions of womanhood. Using shamanic processes and ritual we will access information, insights, life lessons and healing. We will connect with Power Animals, let go of fears, up date our belief systems, access the power of our voice, connect with our baby inside and establish our Birth Temple in preparation for our birth.
